STRICK TRAILERS RECOGNIZES TOP DEALERS

Better Together

MONROE, IN – December 2, 2019 – Strick Trailers, LLC recognizes Capitol City Trailers, Boston Trailer Sales, and ABCO Truck Equipment, as its top dealers in 2019 for achieving an outstanding level of sales and customer service. This is the first time in Strick's history to honor multiple dealers.

"Buying a trailer is a significant financial transaction and can be stressful because there's so much information to digest," says Tim Stewart, Vice President, CCT. "Human interaction is still an important part when purchasing large equipment. It's something people tend to forget in our virtual world."

"Just like purchasing a new semi-trailer, matching your needs with the trailer's functionality is another important purchase criterion," says Jarod Warsofsky, General Manager, Boston Trailer Sales. "Asking the right questions upfront helps us to determine which choices among all of the options will provide the right trailer to meet the customer's requirements."

All three dealers have proven that commitment to an outstanding customer purchase experience is key in today's market. "We are extremely proud of our team and the way they take care of our customers," says Bob Pape, President, ABCO Truck & Equipment. "Without their hard work, expertise, and dedication we wouldn't be the success we are today."

"Our top dealers continually demonstrate that they share our values of quality and innovation in serving our mutual customers," said Steve Burns, President, Strick Trailers. "Our dealers are some of Strick's most valuable assets and an integral part of the company's success. It's a privilege to work with them to keep America moving."

Find Strick Trailers dealers online at <https://www.stricktrailers.com/dealers>.
